

MANIGLIERI DAL 1929
DOOR HANDLES MAKER SINCE 1929

La famiglia Ghidini, da ottant'anni, opera con successo all'interno del settore della maniglieria, seguendo costantemente quelle due linee guida che hanno sempre contraddistinto negli anni i loro prodotti: l'unione armonica di tradizione e innovazione e la cura attenta del loro aspetto qualitativo.

Tali ambiziosi obiettivi sono stati raggiunti anche grazie alla presenza di collaboratori esterni altamente qualificati, attenti alle esigenze di un mercato sempre in continua evoluzione, attraverso la ricerca di design di tendenza e la messa in atto di soluzioni tecnologiche per finiture altamente innovative. Con l'esperienza del passato e lo sguardo proiettato costantemente nel futuro, SICMA vi propone in questo catalogo, accanto alla tradizione, tutte le novità inerenti alle nuove realizzazioni.

Silvio e Pierluigi Ghidini

For over eighty years the Ghidini family has operated successfully in the field of door-handles, constantly following those two guidelines that have always distinguished their products over the years: the harmonic union of tradition and innovation and careful attention to their qualitative aspect.

These ambitious aims have also been achieved thanks to the presence of highly qualified external collaborators, attentive to the needs of a market always in continuous development, through design trend research and putting technological solutions for highly innovative finishings into practice.

With the experience of the past and constantly facing toward the future, the SICMA Company proposes in this catalogue, beside tradition, all the novelties inherent in the new creations.
